HIT AND RUN

“The author stamps the frenzied, exhilarating final act with an unexpected plot turn and a thorough resolution...An action-packed tale with likable characters.” Kirkus

“...action packed, entertaining, and suspenseful...well crafted.” Scribendi

THE EDGE OF EXTINCTION

“A diverting SF tale with a steady momentum and a remarkable cast.” Kirkus

“...the development of the survivors identity and family was profound.” Scribendi

“...the first of a two volume story...Fast fun read...” Covertocoverpub

SURVIVING EXTINCTION

“...an enthralling post-apocalyptic tale.” Kirkus

“...a page turner of the first order.” Eve Marx, National Journalist, and Author

“...enjoyed the development of the Survivors’ lives after the Aliens.” Scribendi

“You’ll probably want to buy both books, just to see who survives.” Covertocoverpub

THE EMMET WAR

“...inventive...fascinating...a personal and emotional story about a horrible, terrifying alien invasion of human-eating insectoids and the soldiers that fight them...” Kirkus

THE EMMET WAR Underground

“...an intriguing look at what an alien attack might be like...an effective portrayal of the human fight-or-flight instinct...impressive.” Kirkus
